

# Security Deposit Interest Reporting

City of New Port Richey – Finance Department-Billing and Collection  
City Hall, 5919 Main Street, New Port Richey, FL 34652  
Phone: 727-853-1061 Fax: 727-853-1245

The City of New Port Richey is required to notify the Internal Revenue Service of interest paid on security deposits of \$10.00 or more and to issue those customers a 1099 Form reporting the interest which may have been applied to a final bill, a current account or refunded by check.

For accounts of properties which are listed with multiple parties the city reports interest utilizing only one Social Security or Federal ID number per account. The City requires acknowledgement that the deposit and interest will be refunded to only one individual or entity whose identification is associated with the account.

This acknowledgement must be signed by all parties listed on the account and does not relieve any party from responsibility for charges for services provided by the City of New Port Richey.

Please complete and return the enclosed w-9 form which will remain on file as a condition of service.
